**The BoG may consider and approve the same**

05/23 BoG\_Jan-2020

To consider and approve proposals to organize National and International conferences / Workshops.

Faculty members of IST have proposed to organize national and international conferences/ workshops and Training programs, under FSD. The programs will be organized as per the BoG guidelines. The details of the proposed events are given below.

S. No	Topic/Theme	Programme	Collaboration/Association	Proposed Dates	Faculty Coordinator	No. of Participants	Approved Budget (Rs.)
1.	Awareness of alumini talk on job potential.	Workshop	----	29 February, 2020	<b>Dr.M.Sunitha Reddy</b> Associate professor of Pharmacy	300	100000.00
<b>Outcome:</b> To develop good placements to identify the research for potential job opportunities, alumini collaborations for project training and industrial training							
2.	Women Empowerment & Entrepreneurship: Challenges and opportunities in Science and Technology	Workshop (under Equity Action Plan)	----	5-7 March, 2020	<b>Dr.CH.Shilpa Chakra</b> Assistant Professor of Nanotechnology	200	200000.00
<b>Outcome:</b> Building Strong nation by their knowledge & Skills in various fields of Science and Technology, to boost confidence of women, to encourage them to break the barriers in research.							
3.	Reservation Policy and Implementation	Workshop (under Equity Action Plan)	-----	13 March 2020	<b>Dr. L. Saida</b> Assistant Professor of Biotechnology	100	100000.00
<b>Outcome:</b> To educate the student and faculty about the role of reservation and roster points in educational institution as well as state and central government employment							
4.	Advances in Geospatial Technology & Applications in connection with World Earth Day	Workshop	ISDE, IRS, Anna University and ISDE India Chapter.	22 April 2020	<b>Dr.T.Vijaya Lakshmi</b> Associate Professor of Environment	100	100000.00
<b>Outcome:</b> Earth Day is an annual event celebrated on 22 <sup>nd</sup> April every year globally. It is celebrated to support the protection of the environment. 22 <sup>nd</sup> April 2020 will mark 50 years of Earth Day celebrations. The theme for the workshop is Climate action. Expert talks from NRSC, IRS, INCOIS will emphasize on the role of technology in accelerating SDG 2030. It is also proposed to launch International Society for Digital Earth (ISDE) India Chapter. Dr.T.VijayaLakshmi has been nominated as the Co-Chairperson of the ISDE India Chapter							
5.	Watershed Management with emphasis on "MARVI"	International Workshop	Western Sydney University, Australia and DEI, Agra	23-25 April, 2020	<b>Dr.T.Vijaya Lakshmi</b> Associate Professor of Environment	100	200000.00
<b>Outcome:</b> Expert talks include Groundwater monitoring and management at the local, Hydrological Issues of catchments along with case studies, Groundwater Quality: Challenges and Solutions, Estimation of urban recharge. The workshop will enable the participants to learn the WRM initiatives.							
6.	UN workshop on Biodiversity	Workshop	Telangana State Biodiversity Board	April, 2020	<b>Dr.Ch.Sasikala</b> Professor of Environment.	100	100000.00
<b>Outcome:</b> The proposed UN workshop on biodiversity, in general motivates the participating students to learn, reinforces learning in the classroom, teaches students about the world, builds confidence and leadership skills, inculcates analytical Skills, Problem-Solving Skills, Diplomacy, the art of negotiation and Public Speaking.							
7.	Animal Cell Culture techniques for metabolic engineering and drug development	Training	-----	15-20 June, 2020	<b>Dr.A.Uma</b> Associate Professor of Biotechnology	40	200000.00
<b>Outcome:</b> The Training program would provide a good platform for students, researchers and scientists of various fields in pharmacy, Biotechnology and microbiology.							

8.	Flexible Energy Storage Devices	Workshop	Dayalbagh Educational Institution (under Twinning Activity)	21 June, 2020	<b>Dr.CH.Shilpa Chakra</b> Assistant Professor of Nanotechnology	100	100000.00
----	---------------------------------	----------	-------------------------------------------------------------	---------------	---------------------------------------------------------------------	-----	-----------

**Outcome:** In the contemporary world, energy seems to be ever increasing demand for households and industries who require extreme energy to be stored and delivered at any time. Existing production of energy face some problems which can overcome with the flexible energy storage systems by replacing with the cylindrical types. The proposed Workshop will address the challenges in energy storage systems and includes expert talks, discussions and possible R&D avenues.

9.	Environment & Energy-2020(ICEE-2020)	2 <sup>nd</sup> International Conference	Sponsors will be identified	5-7 August, 2020	<b>Dr.V.Hima Bindu</b> Professor & Head of Environment	250	300000.00
----	--------------------------------------	------------------------------------------	-----------------------------	------------------	-----------------------------------------------------------	-----	-----------

**Outcome:** The conference would provide a good opportunity to the students to interact with researchers, professionals and other experts from industry. Resource persons from, environmental consulting firms, Waste management sectors, manufacturing sector and agricultural sectors, will share information on latest trends and advances in solving pollution problems. Awareness of developing renewable energy sources will be one among

10.	Frontiers in Biotechnology and Bioengineering(NCFB-2020)	National Conference	Sajjala biosciences, Vcare biolabs PvtLtd,HPCL ,Bangalore (Industry)	26-28 August, 2020	<b>Dr.A.Uma</b> Associate Professor & Head of Biotechnology	250	300000.00
-----	----------------------------------------------------------	---------------------	----------------------------------------------------------------------	--------------------	----------------------------------------------------------------	-----	-----------

**Outcome:** The Students, scholars and faculty will be exposed to advances in biotechnology and bioengineering domain. Networking with professionals and experts in the domain area will enable the faculty to take new research activities. Conference will facilitate in improving job potential of the students.

11.	International Ground water Conference (IGWC)	International Conference	Association of Global Ground Water Scientists (AGGS)	23-26 February, 2021	<b>Dr.B. Venkateswara Rao</b> Professor of Water Resources	300	350000.00 (subject to the extension of TEQIP-III project)
-----	----------------------------------------------	--------------------------	------------------------------------------------------	----------------------	---------------------------------------------------------------	-----	-----------------------------------------------------------

**Outcome:** To evolve the strategy for groundwater management at National and International levels

**The BoG may consider and approve the above**

06/23 BoG_Jan-2020	<b>To consider and approve fee towards Renewal of 3 patents to Indian Patent office.</b> 1)Patent no: 306342 ,2)Patent no: 302668,3)Patent no: 306335
--------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------

Dr.Ch. Sasikala, Professor, Centre for Environment, IST has requested for funding towards renewal fee charges for the 3 patents and for the expenditure towards Form 15 including official at Indian Patent Office (IPO) for 2019-2020 and 2020-2021 years. The details of the patent are given below:

- **Patent no: 306342** (A process for Extraction of Neurosporene from a novel phototrophic Bacterium Rhodobacter Virids JA737 and utilization).
- **Patent no: 302668**(A process for the isolation and Purification of Lycopene from Rhodospirillum sulfurexigens JA143T and Rhodospirillum Oryzae JA318T and Utilization).
- **Patent no:306335** (A microbiological method using Marine Water for the Production of Neurosporene from a marine bacterium Rhodovulum SP.JA756T and compositions containing the said pigment and process for making the same).

As per the approved items under TEQIP-III, NPIU has permitted to meet the expenditure towards patent filing. Earlier JNTUH IST has met the expenditure towards patent examination, filing from TEQIP-III project funds for the above three patents. As per the IPR India norms, the fee for renewal of the patent has to be maintained every year. Hence, Prof Ch.Sasikala is requesting to meet the expenditure towards patent renewal fee for the period 2019-2020 and 2020-2021 from TEQIP III funds. The requested amount for the same is Rs 28,740/- only.
