Report on the Audit of the Financial Statements (PFS)

Opinion

We have audited the accompanying Special Purpose financial statements of **JNTU INSTITUTE OF SCIENCE & TECHNOLOGY, HYDERABAD, Project**, financed by the International Development Association/International Bank for Reconstruction and Development (The World Bank) under IDA Credit/IBRD Loan number 5874 and implemented by Project implementation Agency - NPIU, New Delhi. These financial statements comprise of the Balance Sheet as at September 30, 2021, the Statement of Income and Expenditure for the half year ended, Statement of Receipt and Payment for the half year ended, Statement of Reconciliation of Interim Financial Reports (IFRs) with Project Expenditures, and notes to these financial statements, including summary of significant accounting policies and other explanatory information (collectively referred to as "Project Financial Statements)

In our opinion, and to the best of our information and explanations given to us, the aforesaid special purpose Project Financial Statements give a true and fair view of the financial position of the Project as at 30th September, 2021, Income and Expenditure Statement and Receipt and Payment Statement of the Project for the half year ended on 30th September, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are independent of the project implementing agency in accordance with the ICAI's Code of Ethics for undertaking this assignment, and we have fulfilled our ethical responsibilities in accordance with ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

B.O.: Flat No. FF-3, H.No. 40-6-2, Goteti Apartment, Kandari Hotel Street, Krishna Nagar, Vijayawada - 520 010.

B.O.: H.No. 10-1-86, Mehar Nagar, Old Gajuwaka, Visakhapatnam - 530 026.

B.O.: No. 4, Poes Road, 4th Street, Teynampet, Chennai - 600018.

B.O.: Flat No. 3C, Jeevan Residency, Behind Kalanjali, Renigunta Road, Tirupati - 517 501.

Emphasis of Matter

We draw attention to Note1 to PFS describing the basis of accounting. The PFS prepared by the Project Implementing Agency to reflect the operations, resources and expenditures related to this Project. As a result, these special purpose financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and those charged with Governance for the Project Financial Statement

The Management of the Project Implementing Agency is responsible for the preparation and fair presentation of the Project Financial Statements and for such Internal Control as Management determines is necessary to enable the preparation of Project Financial Statements that are free from material misstatement, where due to fraud or error.

The Management and those charged with governance are responsible for overseeing the implementing agency's financial reporting process.

Auditor's Responsibility for the Audit of the Project Financial Statements

Our objectives are to obtain reasonable assurance about whether the Project Financial Statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards of Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standard of Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Project Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an Understanding of Internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the Project Financial Statements, including the disclosures and whether these financial statements present the Project's operations and underlying transactions and events in a manner that achieves fair presentation in accordance with the financial reporting provisions described in Note XXX to the Project Financial Statements.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Further to our opinion on the Project Financial Statements, we further report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- in our opinion, proper books of accounts have been kept by the implementing agency for Project purposes so far as appears from our examination of those books;
- the Project Financial Statement dealt with by this report is in agreement with the books of accounts:
- the Project funds were utilized for the purpose for which they were provided;
- expenditures, including assets created under the Project, shown in the PFS are eligible for financing under the Project Financing Agreements;
- Interim Financial Repots (IFR) submitted by the Project management can be relied upon to support applications for withdrawal of the Loan and adequate supporting documentation has been maintained to support these claims;

- Procurement has been carried out in line with the agreed procedures; and
- the Project has an adequate internal financial control system and such controls were operating effectively as at September 30, 2021 and the Project complies with the provisions of the Financing Agreement and Project Agreement date November 11, 2013, in all material aspects.

3. Fixed Assets: - Fixed assets are stated at Cost. No accounting is being done for Depreciation on any of Fixed Assets. Fixed Assets purchased are charged to expenditure in the year of purchase.

4. Grant Accounting: - Grant was received from NPIU. Since the direct transfer of fund to the beneficiary is done through the PFMS, the institutes are not getting any fund directly, therefore, the expenditure incurred as per the PFMS shall be considered as grant received and accounted for accordingly after reconciling the figures.

The grant is transferred to general fund account and same is not as per the Accounting Standard - 12 "Accounting for Government Grants" issued by the Institute of Chartered Accountants.

B. Notes on Accounts:

1. There is no contingent liability in respect of claims against the project not acknowledged as debt.

2. Balances of Loans and Advances, Deposits and other Liabilities are subject to confirmation and as certified by the management. The Current assets are stated at an amount, which is in opinion of the management, not in excess of their recoverable value.

3. Previous year figures have been regrouped and rearranged to make them comparable with current year figures wherever considered necessary.
